Title: Reduced Mask Count Buried Layer Process

DECLARATION AND POWER OF ATTORNEY

I, James D. Beason, the below named inventor, hereby declare that:

My residence, address and citizenship are as stated below next to my name.

I verily believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the design invention entitled:

"Reduced Mask Count Buried Layer Process"

which is described and claimed in the attached specification.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to in this declaration.

I acknowledge the duty to disclose to the U.S. Patent Office all information known to me that is material to the patentability of any claim in accordance with Title 37, Code of Federal Regulations, §1.56, and which is material to the examination of this application, namely, information where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent.

I do not know and do not believe that the design was ever known or used in the United States of America before my invention thereof.

I do not know and do not believe that the design was ever patented or described in any printed publication in any country before my invention thereof for more than one year prior to this application.

I do not know and do not believe that the design was in public use or on sale in the United States of America more than one year prior to this application.

The design has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than six months prior to this application.

I hereby claim foreign priority benefits under Title 35, United States Code §119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

Foreign Application(s), if any, Filed Prior to This Application:

<u>Country</u>	<u>Application No.</u>	<u>(day, month, year)</u>
----------------	------------------------	---------------------------

- NONE -

I hereby claim the benefit under Title 35, United States Code §120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code §112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations §1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application:
